

MOBILE JOURNALISM TRAINING

INDIGO DEVELOPMENT AND CHANGE

Date:

10/12/2023

MOBILE JOURNALISM REPORT

5 Day Mobile Journalism Workshop.

Day 1

There were 12 girls ageing from 25 to 28 years. Class started at 9:00 facilitator was Mr.Dominique. He introduces Mobile journalism and telling a story how it started.

Fig. 1 Group photo.

Day 2

Mr.Dominique shared the rules of mobile journalism and how to take pictures with the 5 sequences and videos. Participants took pictures at local businesses in and around their community.

Day 3

Mr. Dominique introduced Universal smartphone video kit (Mojo kit). Mr. Dominique thought the class how to connect your mobile to the kit so you can take stable pictures and videos.

Fig. 2. Universal Smartphone video kit

Day 4

The class practices how to use the video kits when making a video making sure the audio is clear and the picture as well. The Students had to do interviews at the school, were the local farmers work the field. The sound was not clear because of the noise by the school children.

Fig. 3 & 4. On the field at Kusile High School, Duncan Village, East London.

Fig. 5. Interviews with local women garden farmers.

Day 5

We had to rework the interviews on different location that is quieter place. The training moved to Mrs. Busisiwe Mgangxela Peters at Hill view Farms, in Cambridge, East London, to get the clear sound.
